Annual Report- 2021-22

Achievements- “Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”.

In the voyage of discovery of excellence in the field of education our endeavour to learn and excel still continues.

Participation is important in competition and lesson of victory & defeat are that we get in return. We held the competition Inter school, inter house & inter class such as debate, Quiz, Poetry Recitation Essay Writing, Story Writing, Spell-Bee & Drawing etc. following positions achieved by our students are given below:-

1st position in Sports at National Level.

2nd position in Cricket Match competition in Moradabad Cricket Tournament.

1st runner up trophy in Olympiad.

2nd position in G.K. competition at district level.

Our students also participated in Football national federation Cup in Nepal and won Gold Medal. Inter-House competitions are part of regular activities in which we hold atleast one cultural or co-curricular competition in a month.

Our Academics is always our boon. We are happy to share the news that all our students of class X, passed with flying colours. Approx 20% students got 90% and above and 50% students were able to secure distinction. To ensure that the students develop their academic skills, our school has taken different initiatives throughout the year, for e.g. 10 minutes in the morning were taken by class teachers to give students reading practice in classes 1 to 5. Remedial classes are put in regular feature to motivate weaker students.

‘Talk on Healthy food habits and ‘Good habits’ programmers been organised by the class teachers of Pre-Primary Schools. Learning in play way method was adopted for better understanding the students. Lots of colouring & drawings activities, games & clay art, fancy dress, poems & self presentation, dance & singing competitions were organized in Kindergarten.

Healthy mind resides in a healthy body. We organized a series of sports activities as well. There has been an increase in participation and achievement in Athletics, 400m & 200m race, football, cricket, badminton, volleyball taekwondo at school, Inter-School district level. In addition to that girls' and boys' have enthusiastically taken part in high jump, long jump shot-put etc.

Minimum 5 PTMs are organized every year to ensure that parents take a proper feedback and guidelines from the teachers.

Teachers training sessions were organized in the month of June to train & equip our teachers on the Topic of 'classroom Management' and Motivation' These programmes were conducted by experts who were called especially to take such sessions.

Science exhibitons was conducted successfully in the month of December. Investiture ceremony was conducted in the month of July. Delegated the responsibilities to the students with the badges. We also organized picnics & education trips for our students to planetarium and National Library in Rampur.

Concept of thematic assembly was initiated & continued through out the year. Special Assembly on special days were organized.

I am deeply indebted to Mr. Akash Garg, Manager & Mr. Alok Garg, Director for their cooperation & guidance & help throughout the year.
